## General Information

### **Raise the Roof Car Raffle**

Thank you for your support of this important fundraiser. The drawing will be held on Monday during the Prayer Service at 9:27 a.m. Please be sure all tickets are turned in as early as possible on Monday morning, no later than 8:00 a.m., to insure they are included in the drawing. The drawing will be streamed live on our Facebook page.

### **City of Palms Concession Volunteers Needed**

The Athletic Booster Club is seeking help for the City of Palms Basketball Tournament December 16th - 21st. There is a large need for adult help on all days in the areas including cashiering, cooking, and security among others. There are still student spots available as well. Anyone who volunteers will get a free meal, service hours, and admittance into the games on the day they volunteer. Please [click here](#) to sign up.

### **Winter Sports Pictures**

## Guidance Information

Students that took the PSAT/NMSQT in October (Grades 9-11) can view their scores online on Monday, December 12. Students should either login or create a College Board account. To **Create a College Board account**: <https://studentscores.collegeboard.org/home>. I would encourage you to click on the following link for help with interpreting your student's score report: <https://collegereadiness.collegeboard.org/psat-nmsqt-psat-10/scores/structure> and, from here, click on the "understanding scores" link to view a Score Report Video Guide Demo. Students may contact Guidance if they are having difficulty retrieving their scores.

Guidance was in classes this week with juniors to complete three college tasks in Naviance and to explain how to connect their PSAT results to the Khan Academy to get a personalized practice plan based on their PSAT results. Underclass students should do the same (*Note: Guidance will be in with freshmen and sophomores after Christmas break to help with this process*). Students can use this link for instructions on connecting your College Board & Khan Academy accounts: <https://collegereadiness.collegeboard.org/pdf/steps-linking-college-board-khan-academy-accounts.pdf>
