College Admissions Assistance Letters

We have been informed many of our BV families recently received letters indicating you have a scheduled appointment time with an organization to provide you with college admissions assistance. Please know this is not from Verot and you and your child should receive all the assistance you will need through our Counseling Department on the college, scholarship, and financial aid process. Though these organizations may advertise these events as free, they typically try to get you to buy into their services once you are there. Please contact Miss Barbato in the School Counseling Department with questions at maria.barbato@bvhs.org.
