

INFORMATION REGARDING THE ONLINE STUDENT TUITION INFORMATION FORM

1. **TECHNOLOGY FEE:** The \$350 technology fee is separate from the annual tuition and may not be waived or otherwise discounted by Bishop Verot scholarships or Financial Aid. If you choose to submit the technology fee payment for all four years of your student's high school career as one payment of \$1,400, you will lock in the price. This payment is refundable.

2. **REGISTRATION DEPOSIT:**
All students must submit payment for the non-refundable tuition deposit and registration fee of \$600. The first \$500 will be credited to tuition. This may be paid by check (made out to Bishop Verot High School), cash (if paying by cash please send in an envelope with student name and grade for 2018-2019 school year), or Credit Card (see 7a). Families may also choose to have the tuition deposit and registration fee withdrawn through FACTS on March 9, 2018. Families paying before March 1, 2018 OR paying through FACTS will receive an Early Registration Discount (the \$100 registration fee will be waived). Those who pay the full tuition prior to June 30, 2018 will receive a \$500 tuition discount.

3. **STATE OF FLORIDA SCHOLARSHIPS**
If your student is currently receiving either of these scholarships the amount your student is currently receiving will be filled in this box. The amounts of these scholarships are determined annually by the State of Florida in July. Parents are responsible for any portion of the tuition and fees not covered by the scholarship. The actual amount of the scholarship will be deducted from the balance due after the amounts for the scholarship have been finalized. Tuition for the 2018-2019 school year is \$11,750.

4. **PARTICIPATING CATHOLIC ALLOWANCE (\$1,000)**
This voluntary allowance is provided by Bishop Verot High School for **Catholic families that are registered, participating, and contributing members of a parish in the Diocese of Venice as of the date of registration. If you require the assistance to help your student attend Bishop Verot, please complete a Parish Card and submit it to your Parish. The Parish will complete the card and return to Bishop Verot. The Allowance will not be credited to your account until we receive verification of eligibility from your Parish. Please check the box appropriate to your situation. Please list your Parish on the form.**

If you are eligible for the allowance but wish to voluntarily waive the allowance so that we may use the funds to help additional students attend Bishop Verot High School for the 2018-2019 school year please check the box.

5. **NEED BASED TUITION ASSISTANCE AND SCHOLARSHIPS**
If you have filed or will file for need based tuition assistance please check the word "Yes." Applications must be filed with **FACTS by March 16, 2018 and Step Up for Students at your earliest convenience.** Determination and notification of need-based tuition assistance will be made in April 2018. Applications submitted after March 16, 2018 will be placed on a waiting list and will not be reviewed until after all timely filed applications have been reviewed. Please be advised that financial aid funding is limited and applications not filed by the deadline may result in financial assistance being denied or may result in a reduced award. **As financial assistance is granted on a year by year basis you must file a new application each year. Bishop Verot cannot award any need based assistance if an application is not timely and properly filed with FACTS and Step Up for Students.**

6. **BALANCE DUE**
