

The Art Club

Moderator: Mrs. Marjorie Bronsted

Mission: Our mission in Art Club is to teach, display, and promote Art. Most notably our work includes interacting with "Special Pop's" kids. And we engage them in a creative environment and a weekly Art project. Our focus is to develop caring relationships between our members and the "Special Pop's" kids.

Meetings: Students meet every Tuesday from 3:00 to 4:30 p.m. in the Art Studio. New and thoughtful individuals are always welcome.
