

## **Chess Club**

Moderator: Mr. Mark Latell

Mission: The Bishop Verot Chess Club is an organization dedicated to spreading the joy of one of the world's oldest and esteemed games to the student body. Students will have the opportunity to challenge each other and compete for spots on the Chess Ladder on which every member of the club is ranked. Do you want to join but don't know how to play chess? No problem! There are plenty of opportunities to learn from our own chess aficionado, Mr. Latell, and the many experienced students in the club. Those who join will learn the value of strategy, tact, and logic while getting the opportunity to socialize with other students across grade levels.

Meetings: Fridays
