International Student Host Opportunities

The International Program is looking for families interested in hosting students from other countries. These students come from all over the world. Some stay for just a semester. Others stay a full year. And some stay all four years. You provide housing, meals, transportation, and a home environment to help these wonderful young men and women as they negotiate through school life while many miles from their homes and biological families. If you would like more information regarding this wonderful opportunity, please email Lynn Knox, program director, at lynn.knox@bvhs.org.
