

Come Ride the Magic School Bus!!

Bishop Verot Announces

ECO ADVENTURES 2018

With Ms. Howe (formerly Bergan) and Ms. Schlotterbeck

What: Spend a week in the great outdoors, traveling on the little bus that could. Each day we will visit a different site to explore, collect, test and learn about our local environment and its inhabitants. Planned outings include exploring Six-Mile Cypress Sough, netting for marine organisms in the tidal grass flats, shelling on pristine beaches, hiking the uplands, birding at Ding Darling National Wildlife Refuge, re-creating Calusa art at the Mound House archaeological site, canoeing on the Orange River, and much more.

Who: Students aged 10-12 who are filled with a sense of wonder, LOVE being outside, exploring, learning about nature, and don't mind hiking, getting wet, sweaty, and dirty. No whiners! ☺

When: The week of June 11th – June 15th (Five days)

8 am sharp to 4 pm sharp each day.

Where: Campers will meet at BVHS each morning in Mrs. Howe's classroom (P7), board the Magic School bus, spend the day in the field, and return to BVHS each afternoon.

How Much: Tuition is \$275. Cost includes all transportation and entrance fees. This camp is limited to 22 campers only, so enroll early! Make checks payable to BVHS and send or hand deliver to:
